Profits in Shipping

As an indication of the abnormal profits which can be made with vessels purchased during the depressed times of three years ago. It is interesting to notice, that a steamer of 2,500 gross tons was purchased in WINE AND LIQUOR MERCHANTS Oct 23, 1912. . . 1909 for \$30,000 and has just been

sold for \$57,000. With the profits made in three years and the amount now received, the shareholders will secure their capital stock back, with a gain of 300 per cent.—Chronicle.
